

**CIRCULAR****Sub. : Clarification in respect of recovery of Plant cost on revival of sick industrial units.**

In pursuance to amendments issued by Hon'ble RERCs "Supply Code regulations", thereby amending some of the provisions of Supply Code, Jaipur Discom has issued amendments in corresponding clauses of Terms & Conditions for Supply of Electricity - 2004" (TCS-04) vide order No. JPD/CE(C)/C.I./F.4 (261)/PL VII/D.2216 dt. 14.11.07 (JPR5-434). Under item No. 15 of the said order amended clause - 39 (A) (4) of order No. JPR5-434 dt. 14.11.07, stipulates as under :-

"While recovering expenses under sub-clause (I) above, the licensee shall give credit to the consumer for the amount the consumer has already paid for electric line & Plant."

The field Officers/Association have raised queries regarding above mentioned provisions. To remove all the doubts, the matter was referred to Hon'ble Commission to issue clarification/direction, so that the above provisions may be correctly implemented. Hon'ble Commission has clarified the matter as under :-

The revised provision clearly stipulates that while recovering expenses for allowing increase in contract demand of a consumer, the licensee (Jaipur Discom) is required to pass-on the credit to the consumer for the amount the consumer has already paid against the plant & line cost.

Following illustration will make the provisions much clear :-

1. A Consumer applied for power : 1000 KVA contract demand  
connection for
2. Amount paid towards cost of line : Rs. 'Y'  
& plant cost

3. Applies for extension in contract : 1000 KVA to 3000 KVA  
demand from
4. Total amount recoverable towards : Rs. 'X'  
line & plant cost
5. Net amount to be paid by the : Rs. (X-Y)  
consumer towards cost of the  
line & plant.

In view of the position clarified hereinabove, it is enjoined upon all the concerned officers to ensure compliance of the clarification given by the Hon'ble Commission, as stated herein above.
