

**ORDER****Sub. : Incentive Scheme for maintaining "Fault Free Feeders" during one complete calendar month.**

The matter of introducing an incentive scheme for the technical staff of the sub-division who are maintaining 11 KV feeders of the industrial areas was put up in 70<sup>th</sup> meeting of Coordination Committee held on 29.0.04. The Coordination Committee approved the proposals for giving an incentive of Rs. 1000/- (Rupees one thousand only) for each 11 KV feeder, if it is maintained fault free during one complete calendar month. Order No. JPR5-205 dated 10.6.04 & JPR5-447 dated 13.2.08 already exist in this matter.

During the meeting of the XENs of important industrial areas held on 14.2.08 it was also suggested by the field officers that the aforesaid scheme of maintaining fault free feeders may also be allowed for 33 KV industrial feeder which has more than 4 connections.

After detailed discussions it has been decided that henceforth incentive scheme for maintaining 33 KV industrial feeder having more than four connections as fault free feeders during a complete calendar month, shall also be allowed.

Therefore, the amount of incentive will also be given on the similar lines as that of order No. JPR5-205 dt. 10.6.04 & JPR5-447 dt. 13.2.08 for 33 KV industrial feeders having more than four connections and are maintained as fault free.
