

ORDER

Sub. : Preventive measures for checking pilferage of energy by Industrial Consumers - Release of new SIP/ MIP-LT connections - Withdrawal of Condition of Providing Check Meter.

Instructions were issued vide orders No. 224 dt. 4.2.05 (JPR5-252) & No. 1890 dt. 31.10.06 (JPR5-356) for release of SIP/MIP-LT connections & using distribution transformers with in house welded meter box, It has also been prescribed in the orders to provide Check Meters also.

The matter was again discussed in the meeting of Executive Engineers of important industrial areas held on 14.2.08. It has been decided that because the distribution transformers with in house Welded Meter Box only are being installed, there is no need to provide check meter.

Therefore, the condition of providing check meters in such cases is, hereby withdrawn. All other terms & conditions prescribed vide aforesaid orders shall remain unchanged.
