

**ORDER**

**Sub. : Considering the request of the consumer for allowing extension of 24 hours supply feeder beyond prescribed limit of 1 Km. in rural areas - withdrawal the conditions of metering on 11 KV side.**

The order No. JPD/CE(C)/C.I/F.4 (210)/Pt. IV/D. 2124 dt. 1-11-07 (JPR5-432) was issued for releasing industrial/non domestic connections in rural areas by drawing 11 KV feeder to feed 24 hour continuous supply beyond the prescribed limit of 1 Km.

The matter has been considered and it has been decided that Condition No. 3 of the said order No. JPR5-432 may be substituted by the following :-

**“(3) The metering may be allowed on LT swide and in such cases 3% transformation losses may be added to the recorded consumption. However for such condition the concerned XEN should be competent to accord approval for the same “**
