

**ORDER****Sub. : Modification in demand notices to promote the use of Compact Fluorescent Lamps.**

Government of Rajasthan, vide notification No. F.20(6) Energy/98 dated 7.11.07, has made it mandatory for all new buildings constructed in Government Sector/Government aided sector/Boards and Corporations/Autonomous bodies to use Energy Efficient Lamps/Compact Fluorescent Lamps (CFL) only and not to use incandescent lamps and conventional chocks for fluorescent lamps.

All the filed officers while issuing Demand Notices for release of new connections in such buildings should invariably mention in the demand notice that use of Energy Efficient Lamps/Compact Fluorescent Lamps (CFL) only will be allowed and incandescent lamps and conventional chocks for fluorescent lamps will not be allowed while releasing connection. Compliance of these orders is to be ensured at the time of release of the connection.
