

ORDER

Sub. : Constitution of a committee for resolving the dispute which may arise consequent to checking & testing of energy meters, during continuance of "Voluntary Disclosure Scheme".

The proposals, for constitution of a committee to resolve the disputes which may arise as a consequence to checking and testing of meters during continuance of "Voluntary Disclosure Scheme", were discussed in 138th meeting of the Board of Directors of Jaipur Discom held on 30.4.08. Accordingly, in pursuance to decision taken a committee consisting of the following members is hereby constituted :-

- (1) Concerned AEN(O&M).
- (2) Concerned Vigilance Checking Officer (XEN/AEN).
- (3) XEN(M&P)/AEN(M&P) of the concerned circle.

This committee would be responsible for resolving disputes related to testing of meters found defective or running slow on checking at site. Such meters shall be got tested in the meter testing laboratory of the Circle. During testing of meter, the representative of the manufacturer of the meter and the consumer/consumer's representative shall also remain present. However, in the cases where FIRs have already been lodged, the testing shall be done only after obtaining the consent of checking officer.
