Dt.01.10.08

ORDER

Sub.: Release of single phase connection under NDS category in rural areas where three phase connection already exists.

In accordance with the existing provisions, in rural areas, three phase connections under NDS category are being provided with power supply in block hours. Various representations are being received from different consumers in rural areas like Banks, Govt. offices etc., requesting for releasing another single phase connection in same name in same premises from round the clock supply system, in addition to three phase connection already existing getting supply in block hours.

The matter has been discussed in 3rd meeting of "Discom's Coordination Forms" (DCF) meeting held on 18-9-08. This matter was also discussed in Coordination Committee held on 23rd Sept. 08 and it was decided that single phase NDS connection up to 5 KW in rural areas may be released even if three phase connection already exists in the same premises, getting supply in block hours.

This connection can be released subject to the following conditions:-

- I) The applicant would be required to bear full cost of extension of 11 KV line and also the cost of single phase transformer sub-station.
- II) This supply be arranged from round the clock supply feeder.
- III) The connection be given upto 5 KW loads only.

m This order shall come into force with immediate effect.

By order,

m 1.10.2008

(N.M.Sareen)
