No. JPD/CE (C)/C.I/F.4 (210)/Pt.18/D. 1129

Dt. 20-5-09

ORDER

**Sub: "Self Financing Scheme " for release of domestic/
non-domestic connections in rural areas".**

In accordance with the existing provisions, there are different schemes under which the Domestic/Non-domestic connections can be released in rural areas, (Abadi & Non Abadi areas both). There are still some prospective consumers aspiring for domestic & non-domestic connections and are also ready to bear the cost of sub-station, line extension etc.

The matter has been discussed by the Coordination Committee in its 124th meeting held on 11-2-09. After detailed discussions, the Coordination Committee approved the proposed "Self Financing Scheme "for release of domestic/non-domestic connections in rural areas. In compliance to the decisions for implementing the self-financing scheme for domestic and non-domestic connections, following directions are issued for guidance of the field officers :-

- 1. Under "Self Financing Scheme" domestic & non-domestic connections shall be released in rural area (s).**
- 2. The connections shall be released by providing single phase 5 KVA transformer for each consumer, with proper metering and sealing of transformer's L.T. side. Connection to other applicant shall not be released from consumer's 5 KVA transformers. The single phase line, however, can be tapped for releasing connection to other applicants.**

Superintending Engineer (IC & CRP.)

853 Date 26.5.09

Asst. Engr. (C)/Asst. Engr. (C)

3. The consumer shall be required to submit an undertaking stating that the consumer to whom connection is released will be responsible for safety of single phase 5 KVA transformer. In case of theft or burning/outage, the consumer would be responsible for replacement of such transformer. Proforma for undertaking is enclosed herewith at Annexure- 'A'
4. The prospective consumer shall bear the entire expenditure for laying of HT/LT line, single phase transformer sub-station etc.
5. The amount so deposited by the prospective consumers towards the cost of line & transformer sub-station will not be refunded/adjusted in future energy bills.
6. Separate priority shall be maintained for release of single phase domestic and non-domestic connections under "Self Financing Scheme".

Encl: As above.

By order,
