JAPUR VIDYUT VITRAN NIGAM LIMITED  
OFFICE OF THE CHIEF ENGINEER(COMML)

No.JPD/CE(C)/C.I/F.4(400)/D. 1342 - ~~18~~ 18/06/09

CIRCULAR

Sub: Release of 3Ph SIP, PHED, NDS & Road Light connection.

Presently, M&P wing is responsible for release of 3Ph SIP connection above 15 HP, 3Ph NDS connection above 18.65 KW and 3Ph Domestic light connection above 18.65 KW. For release of these connections, the O&M and M&P wing officers jointly inspect the site and release connection and then Joint Testing Report is prepared.

This matter was discussed in the meeting of the Nodal Officers of Urban Focus on 10.6.2009. It has been decided that henceforth, release of 3Ph SIP, PHED, NDS and Road light connection are to be released jointly by O&M and M&P wing of the Nigam. After the installation is ready for connection, circular 51 should be sent by AEn(O&M) to AEn(M&P) of the area and the connection should be released jointly. The Joint Testing Report should be properly prepared. It should also be ensured that the metering equipment is properly sealed by M&P wing.

These directions shall come into force with immediate effect.
