OFFICE OF THE CHIEF ENGINEER(COMML)

ORDER

**Sub: Authorising Zonal CE for sanctioning
Augmentation of capacity of power
Transformer including addition power
Transformer on same sub-station.**

**During the Review Meeting of M&P wing, it was
observed that the main reason of failure of power transformer
is due to over loading. The process of augmentation of existing
33/11 kV power transformers therefore needs to be expedited.**

**In view of the position stated, it is decided that
henceforth Zonal Chief Engineers are authorized to accord
necessary sanctions.**

**It has also been decided that the cases already under
process and pending for approval in Plan wing be also sent to
Zonal Chief Engineer for sanction.**
