ORDER

Sub: Further widening the scope of Order No.JPR5-500 dt. 25-9-08 regarding charging the amount from inhabitant whose colonies have been developed by Colonizers/Developers/Societies in the vicinity of Urban areas (City/town).

An order No. 2372 dt. 25-9-08 (JPR5-500) was issued vide which provisions were made regarding release of connections in the colonies in the vicinity of areas of JDA/Municipal Corporation. Under Item No.6 of the order No. JPR5-500, it was prescribed that maximum load of one scheme would be 500 (five hundred) KVA and the scheme would be limited to maximum 100 (one hundred) number of plot. Requests were received from colonies/consumers for electrification and release of connections in the colonies where number of plots/connection anticipated are more than 100 as well as to exclude those colonies where few connections have already been released from the existing nearby distribution network.

The matter was placed before the BOD of Jaipur Discom in its 167th meeting held on 6-1-2010. The matter was considered and discussed in detail and following decisions were taken so as to widen the scope of earlier order No. JPR5-500:-

- (i) The order will not be applicable for those colonies where the supply is presently arranged from the existing distribution network in the colony area.
- (ii) The condition No. 6 of the said order may be substituted by the following:

"The maximum load of one scheme would be 1500 KVA and the scheme would be limited to maximum 300 number of plots.

It is also stated that other terms and conditions of the Order No. JPR5-500 will remain the same. It is therefore, enjoined upon all the concerned officers to adhere to the above directions.

By order,

(A.K.Sharma)
Chief Engineer (Comml.)
