CLARIFICATION

Sub : Clarification regarding release to Petrol Pumps in rural areas as circulated vide order No. JPR5-522.

The Circular No. JPD/CE(CYF.4(277)2014 dated 19.12.08 (JPR5-522) was issued for releasing connections to Petrol Pumps in Rural areas (Both Abadi & Non Abadi) in the non-domestic category. Various doubts have been raised by the field officers regarding implementation in releasing connections for Petrol Pumps beyond 5KW load desiring 24 Hr. supply.

The matter has been considered and it has been decided that condition No.B(i) & (iv) of the said order No. JPR5-522 may be substituted by following B-Petrol Pump connections beyond 5KW (24 hrs supply)

(i) "The connection can be released by extending line from the nearest 24 hrs. supply 11 kV feeder.

(iv) - "The metering may be allowed on LT side and in such cases 3% transformation losses may be added to the recorded consumption. However for such condition the concerned XEN should be competent to accord approval for the same".

The above clarification shall be implemented throughout all the three Discoms.
