Dated: 3/10/2011

ORDER

Sub: Charging the cost of 33KV or 11KV Bay emanating from 220KV/132 KV Grid Sub Station or 33/11 KV Sub Station for giving supply to a consumer through dedicated feeder

The orders JPR5-125 & JPR5-420 were issued in the past on the subject matter. Now, some of queries have received from the Field Officers regarding charging the cost of 33KV Bay emanating from EHV Grid Sub-stations or 33/11KV GSS.

In this regard, the matter was discussed in the Co-ordination Committee 150th meeting held on 15.9.2011 and it has been decided that the cost of the dedicated Bay of any kind (i.e.33KV or 11KV Bay emanating from 220KV/132 KV Grid Sub stations/ 33 KV Sub stations) constructed for use by a particular consumer and not for general supply of power shall be charged/recovered from that consumer.

These directions are issued in supersession to all previous orders issued in this regard and shall come into force with immediate effect.

By order,

(K.K.Purohit)

Superintending Engineer(Comml.)
