Dt. 3/10/2011

ORDER

Sub.: Release of Domestic connections in a group in Non Abadi area.

Earlier the Order JPR5-545 was issued and Self Finance Scheme was introduced for releasing domestic connections in Non-abadi areas of the villages which is still in existence. As per provision of this order separate transformer is to be installed for each domestic connection.

Subsequently an order JPR5-557 was issued on dt. 10.07.2009 vide which formation of groups were allowed for Non domestic connection in Non abadi areas under Self Finance Scheme.

Filed Officers have reported that there are cases in rural areas where more than one house are located within close vicinity of each other and installation of separate transfer for each such connections will be an unnecessary financial burden on the applicant(s) whose financial condition may also be not very sound.

The matter for releasing domestic connections also in group in Non-abadi areas was placed and discussed in 150th Coordination Committee meeting held on 15.09.11. The Coordination Committee accorded its approval for release of Domestic connections in group in Non-Abadi area under the Self Financing Scheme as has been allowed for Non Domestic connections in Non-Abadi area under the Self Financing Scheme provided that aggregated load of the group should not exceed 5 KVA.

This order shall come into force with immediate effect.

By Order

3/10/11

(K. K. Purohit)

Superintending Engineer (Comml.)
