Vidhyut Bhawan, Jan Path, Jaipur

NO.JPD/SE(C)/F. /D. ^{F4(226)} 1643 Dated: 27/12/11

ORDER

Sub: Regarding voltage rebate in tariff for the connections released on 33KV supply instead of 11KV for which the consumer is entitled to be supplied power.

It has been prescribed vide order JPR-405 dated 10.07.07 that in case the supply is being allowed at 33KV on request of consumer where he is entitled for 11KV supply, then such consumers shall not be allowed voltage rebate.

With a view to encouraging the consumers to opt for higher voltage thereby strengthening the system and reducing losses, Hon'ble Commission while issuing tariff order dated 08-09-2011 in the matter of Annual Revenue Requirement (ARR) & revision of Retail Supply Tariff for FY 2011-12, has reviewed and revised the voltage rebate of 1%, 3% and 5% to 3%, 4% and 5% for taking the supply at 33KV, 132KV and 220KV respectively.

In light of the aforesaid provision prescribed by Hon'ble Commission, the matter was discussed in 29th Discoms Coordination Forum meeting held on dated 14.11.11 wherein it was decided to review the order JPR5-405 dated 10.7.07.

Accordingly, it is enjoined upon all concerned to ensure that the voltage rebate of 3%, 4% and 5% be allowed to all consumers according to their voltage of supply as 33KV, 132KV and 220KV, respectively.

This order shall come into force with immediate effect.

By order,

(K.K.Purohit)

Superintending Engineer (Comml.)
