NO.JPD/CE(Comml.)/SE(C)/XEN(RA&R)/F.40(IV)/D. 1563

Jaipur, dated 04.10.12

ORDER

Sub : Procedure for adjustment of energy sold by various CPPs to Rajasthan Discoms.

Ref : Order No.JPD/CE(C)/SE(C)/RA&R/F.40(iv)/D.1788 dated 17th Aug. 09 (JPR 5-564).

In order to adjust the energy sold by CPP to Rajasthan Discoms and for sale and accounting of energy and payments to be made to CPP as per L.O.I. dated 30.06.2009 of C.E.(RDPPC), RRVPNL, Jaipur, a procedure was prescribed vide order JPR5-564.

The matter was brought in the notice of Directional Committee by Ajmer Discom pointing out discrepancy arising in the course of implementation of the order JPR5-564. The Directional Committee in its meeting held on dated 24.01.2012 considered the Agenda Note issued by AVVNL in this regard and decided that fixed charges should not be refunded to the CPPs and approved the methodology of adjustment as proposed by Dy.C.E.(Comml.), AVVNL, Ajmer in the Agenda Note. Accordingly, in compliance to the minutes of the meeting (item No.4), the JPR5-564 is modified to the extent, as being further explained through an illustration given below :-

“Say the firm energy exported by CPP is 100 units and the power drawn by CPP’s industrial unit is 20 units for which a bill has been raised by HT billing section”. The bill for sale to Discom would thus be drawn as under:

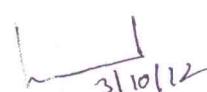

(100-20) units X selling rate of CPP viz. = A
Rs. 6.50 per kwh = Rs. 520

20 units X effective per unit rate of LIP tariff = B
of the consumer for the month

Total (A) + (B) payable by RDPPC to CPP consumer

NOTE : The effective per unit rate of LIP tariff for 'B' above would be prevailing billed energy charges net off after admissible voltage rebate and power factor incentive/surcharge as the case may be, divided by the units billed. As such no refund on account of fixed charges, transformer rent, metering equipment rent etc. shall be made.

All Discoms are advised to review the payment already made on this account immediately.
