**ORDER**

**Sub: Sharing the cost of shifting of lines  
(HT/LT- O/H Lines).**

In the past instructions were issued by erstwhile RSEB vide order No. RSEB/DCO/CI/F4(117)/95/Pt1/D. 1527 dated 23.5.1996 ( Comml.170) to recover 50% of the total cost of estimates for shifting of electric lines and other structures, which may prove hazardous to human life & property, from the personal/agency desiring such shifting. Balance 50% amount of the same to be borne by RSEB.

The matter was subsequently discussed in the 120<sup>th</sup> Coordination Committee meeting held on 29.07.08 , wherein the procedure for such shifting in force in erstwhile RSEB was noted by the Committee and accordingly the same procedure was adopted by Jaipur Discom vide Order NO. JPD/CE(C)/CI/F.4(210)/Ptd.XVI/D.2183 dated 2.09.08 (JPR5-496).

Recently, at the time of review meeting of Circles through Video Conferencing and during the campaign "Prasassan Gaon/Shahro ke sang" the Circle SEs have raised the issue of hazardous electric lines passing over the Govt. School Buildings which could not be shifted from a long time due to non deposition of 50% amount of the estimate of shifting by the

Govt. school authorities having financial constraints/problems and may prove hazardous to lives of children.

Looking to the further delay in shifting of hazardous line for want of 50% amount of estimate to be deposited by the Govt. School Authorities and for the safety of students, it has been considered to relax the condition of depositing 50% of the cost of estimate for shifting of hazardous lines passing over Govt. School Buildings and in such cases total amount of the estimate shall be borne by the Nigam.

It is also advised that the field officers should ensure that no new structure is created under the overhead line and also ensure timely intimation to school authorities.
