

ORDER

Sub: Levy of transformation losses from the Consumers under Medium Industrial Category to whom connections were Released prior to 7.8.90.

Instructions were issued vide order No.1895 dt.10.12.02 (JPR5-99) that from consumers under MIP category to whom connections were released prior to 7.8.90, transformer rent shall be continued to be charged in accordance with the instructions already issued vide erstwhile Board's Order No.Comml.-428 dt.23.2.99. It was prescribed interalia to start levy of transformation losses @ 3% per month chargeable on the basis of recorded units from such consumers from billing month of January, 2003.

The matter has been again considered and in the matter of levy of transformation losses, following instructions are issued in partial modifications to order No.1895 dt.10.12.02 (JPR5-99):

- I. Transformation losses @ 3% per month shall be charged only from those consumers to whom supply is being given exclusively through a separate distribution transformer and metering is provided on LT side.
- II. If the supply is through a common distribution transformer where some more connections have been given, no transformation losses are to be charged.

In such cases if the transformation losses have already been charged in accordance with the order No.JPR5-99, the same be refunded to the consumer through adjustment in next monthly energy bill.
