Final rate of fuel surcharge for the year 1999-2000

The Board of Director of the Corporation by circulation dated 9.2.2001 has resolved the final rate of fuel surcharge for the year 1999-2000 as 125.22 P/unit (One hundred twenty five point twenty two paise per unit) under the provisions of the "Cost Variation and Fuel Adjustment Clause" appearing in the "Tariff for Supply of Electricity, 1985" as amended from time to time.

The bill of all Non-domestic service (Schedule NIS/LT-2), Public Street Lighting (Schedule PSL/LT-3), Small Industrial Service (Schedule SP/LT-5), Medium Industrial Service (Schedule MP/LT-6), Bulk Supply for Mixed Load (Schedule ML/LT-7), & Large Industrial Load (Schedule LP/HT-1) for the year 1999-2000 i.e. for the billing month of May, 99 to April, 2000 be revised accordingly. The final rate of fuel surcharge as approved by the Jaipur Discom is to be levied after making adjustment of provisional rate of fuel surcharge already billed during the above period. The prevailing provisional rates during the above period were as under:

- i) For the billing month of May, 1999 at the rate of 182 Paise/Unit as per Notification No. 2399 dated 28.8.98 (COMML-437).
- ii) From the billing months of June, 1999 to April, 2000 at the rate of 116 Paise/Unit as per Notification No. 1543 dated 27.5.99 (COMML-439).

Further RESOLVED that arrear bills for the difference between the final rate determined as above and the provisional rate be issued @ 23.22 P/Unit for the billing month of May, 1999 and @ 9.22 P/Unit for the billing months of June, 1999 to April, 2000 and it be ensured that bills for the arrears are prepared and served to the consumers within this month. However, for making payment of the same at the option of the consumer monthly instalment upto three can be allowed at 18% interest. Both options i.e. for making payment in one instalment or upto three instalments can be given in the notice to avoid any confusion.

The details of calculations, i.e. the figures of various components of the formula of fuel surcharge are also to be furnished to the consumers alongwith the bills. Such details alongwith calculations are enclosed herewith.

Encl: as above.
