CLARIFICATION

Sub : To permit private Housing Societies/
Developers to lay electrical Infra-
structure themselves in the colonies
developed by them.

Guidelines have been prescribed to permit private
Housing Societies/Developers to lay electric
infrastructure in the colonies developed by them, vide
order No. 698 dt. 28-4-03 (JPR5-110).

In order to clear the doubts, clarified as under :-

(1) As mentioned at Item 4, of the order the overhead
charges are to be recovered @ 50 % of the Store
Issue rates which includes the installation as
well as supervision charges besides the cost of
transformer.

(II) In respect of items-5 of the order, it is further
to clarify that two estimates shall be prepared by
private housing societies/Developing agency, one
for transformer to be installed, and the second
for, line material including sub-stations DP and
equipments except transformer. Supervision charges
@ 15% for the second estimate are required to be
recovered. The estimates are required to be
prepared as per latest Store Rate(s) of Jaipur
Discom.
