

JAIPUR VIDYUT VITRAN NIGAM LIMITED
OFFICE OF THE DY CHIEF ENGINEER (COMML)

No. JPD/Dy CE(C)/HTB/F. 2 (2)/D. 1253 Jaipur the: 30.7.03.

Sub: Extension of line beyond RIICO Industrial Area for release of connections with RIICO's Industrial Area

CIRCULAR

A number of prospective consumers have been requesting Jaipur Discom for extending the feeder. It has been observed that in some of the cases the Meter reading are not taken at the time of disconnection and not intimate to HT Billing Section of Commercial Wing, this is a serious irregularity on the part of AEn/JEn, due to such negligence, recently some consumers have been found using the electricity even after disconnection of their connection.

It is therefore, advise to the field officers in future meter reading should recorded first and then connection be disconnected in such a way that consumer can not reconnect his supply easily. Further the metering equipments and service line of the consumer be removed after expiry of two months period positively and final reading of the meter should be recorded in JIR prepare at the time of removal of Metering equipments and the same be sent to Sr.AO(HT Billing), if recording of meter reading is not possible at site due to non availability of supply the meter should be read at Laboratory in the presence of the consumer and reading be recorded in JIR.

In all areas outside limit of RIICO's industrial area the 11 KV line existing in the industrial Area can be extended up to *Dy* 1 KM from the periphery of the RIICO *(R.P.Goyal)* for catering the industrial area. Dy Chief Engineer (Comml.)

Copy submitted/forwarded to the following for information and necessary action:

1. The Chief Engineer (M&P), JD, Jaipur
2. The Chief Engineer (O&M), JD, Jaipur
3. The Supdtg. Engineer (O&M), JD, _____
4. The Executive Engineer (11 KV), JD, _____

Such connection should be laid to cater such loads. Such connection should be released on *Dy* voltage with metering on 11 KV supply. Dy Chief Engineer (Comml.)

Aforesaid instructions shall come into force with immediate effect.

Dy
(R.P.Goyal)
