ORDER

Sub.:- Change of billing of category of recognised educational institutions from "Non-domestic service (NDS/LT-2)" to "Bulk Supply for Mixed Load (ML/LT-7)".

In accordance with the existing provisions of tariff the "Recognised Educational Institutions" are covered under "Bulk Supply for Mixed Load (ML/LT-7) & un-recognised Educational Institutions are covered under "Non-domestic service (NDS/LT-2). A number of recognised educational institution are relesed connections under Non-domestic Service (NDS/LT-2) in absence of recognition certificate". Subsequesntly, such institutions submit the recognition certificate & insist for applying "Mixed Load tarif (ML/LT-7) and cases are referred to Commercial Wing for directions.

The matter has been considered & it has been decided that henceforth whenever any Recognised Education Institutions submits the recognition certificate of competent authority, the same may be entertained. If the certificate is in order, then their billing be started under "Bulk Supply for Mixed Load (ML/LT-7) instead of "Non-domestic Service (NDS/LT-2) prospectively. This however, is not to be considered as a case of conversion of tariff.
