(COMMERCIAL WING)

NO. JF-DISCOM/DY. CE (C)/E. 1/F. 1(7)/Pt. II/D. 499

April 17, 2001

ORDER

Sub: Amendment in clause 19 (d) (viii) (1) of General Conditions of Supply & Miscellaneous Charges relating to supply of electricity.

The Rajasthan Electricity Regulatory Commission has passed an order dt. 24th March 2001 in petition no. RERC/ Tariff/2/2000 filed on behalf of Jaipur Vidyut Vitran Nigam Limited for fixation of tariff for retail supply of electricity. The Regulatory Commission inter alia directed Jaipur Discom to replace a defective/stopped meter within a period two months of its detection. It has also been directed by the Commission that the consumer should not be served more than two monthly bills on the basis of average consumption. Further, if the Jaipur Discom is unable for any reason to replace the stopped/defective meter within a period of 2 months then the Jaipur Discom should provide a rebate of 5% on the total bill of the consumer on the 3rd (monthly) bill onwards prepared on average basis till the meter is replaced. The Commission has also allowed a period of three months to Jaipur Discom for gearing up its facilities for servicing and repairing meters and for arranging

my

for new meters for replacing stopped/defective meters wherever necessary. Hence the existing clause 19 (d)

(vii) (1) of "General Conditions of Supply" is modified to that extent by adding a new para as below

1005, 71

at the end in the existing clause 19 (d) (vii) (1)-

However this amendments shall be made effective w.e.f.

1.7.2001.

In case Jaipur Discom is unable for any reason to replace the stopped/defective meter within a period of two months of its detection then Jaipur Discom shall provide a rebate of 5% on the total bill of the consumer after two months i.e. from the 3rd monthly bill in case of monthly billing and second bill in case of bi monthly billing prepared on the average basis till the meter is replaced.
