**Sub.: Recovery of cost of 3-phase whole current meters from consumers under Non-domestic and Small Industrial Categories having sanctioned connected load above 7.5 KW & upto 18.65 KW (25 HP)**

The Board of Directors of Jaipur Discom in its 61st meeting held on 29-5-2004 considered the proposals for recovering the normal cost of 3-phase meters in lieu of meter security from the consumers under Non-domestic and Small Industrial categories having sanctioned connected load above 7.5 KW & upto 18.65 KW (25 HP).

The Board of Directors have decided that from the consumers under Non-domestic and Small industrial categories having sanctioned connected load above 7.5 KW & upto 18.65 KW (25 HP), the cost of normal 3-phase meters in lieu of security shall be charged instead of charging the actual cost of "Three phase- intelligent static meters, 10-60 Amps" installed by Jaiur Discom.

By order,

(S.C. Malhotra)

Dy. Chief Engineer (C&P)
