ORDER

Sub. :- Refund of Transformer back-up charges.

During the meeting of Executive Engineers of industrial areas it was reported that there are cases of some consumers who had deposited 50% of the transformer back-up charges before issue of order Comml-524 dt. 10th July, 2000. The balance 50% amount has not been deposited by them and now they are requesting for refund of the amount deposited at the time of depositing the demand notice.

It is to clarify in the above context that the refund of amount of back-up transformer charges is admissible only after full amount of transformer back-up charges are deposited by the consumers. In view of this it was decided that such consumers, who had deposited demand notice before the issue of Comml-524 dt. 10.7.2000 and have not deposited full amount of transformer back-up charges be advised to deposit the balance charges. After having deposited full amount of back-up transformer charges, the refund of the same be allowed in 90 equal instalments as per order Comml-524.

This procedure is applicable for consumers who had deposited demand notice amount before issue of Comml-524 dt. 10.7.04 only.
