

No.JPD/CE(C)/C.I/F.4(251)/Pt.II/D. 409

Dt. 07.03.05

ORDER

Sub.:- Conversion of Flat Rate consumers into Metered Supply consumers under agriculture category.

The Rajasthan Regulatory Commission while issuing the Tariff order dt.17.12.04 has observed that the Discom has failed to achieve targets fixed by the commission for conversion of Flat Rate consumers into the Metered Supply consumers under agriculture category. The commission had also observed that the Discom should strive hard & achieve the target fixed by the Commission in this regard for the year 2004-05.

In this connection it is to mention that the Hon'ble Commission during the year 2004-05 had fixed the target of conversion of 1,05,651 Nos. of Flat Rate connections to metered category. On the basis of the progress report received by the Commercial Wing upto the month Dec.'2004, only 960 connections have been converted from Flat Rate to metered class and the achievement had been 0.91% of the target fixed.

It is, therefore, enjoined upon all the field officers that with a view to adhere to the targets fixed by the Commission, the pace of the work of said conversion must be accelerated so as to achieve the target in full.

(R.P. Goyal)
