Sub.:- Accepting only Registered documents with the Application form for transfer of electric connections.

The Addl. Collector (Stamps), Government of Rajasthan has reported that in cases of transfer of electric connections, JVVNL is accepting the documents which are not Registered. It has been pressed to get such documents registered under the provisions of Rajasthan Stamp Duty Act. In case unregistered documents are accepted this leads to great revenue loss to the State Government.

It is therefore, enjoined upon all concerned that before accepting such documents, it must be ensured that the same are duly registered.

Such document are usually presented by prospective consumer at the time of release of new connection, transfer of connections, name change etc.
