CIRCULAR

Sub : Expediting release of connections

The issue of delay in release of connections, specially large industrial connections, came-up for discussion during the meeting of Working Group on commercial matters held on 15-4-05. This is not only affects the industrial growth but also deprives the Jaipur Discom from getting the additional revenue. The MD has expressed his concern and desired that such connections should be released without delay. Bottleneck being faced in release of such connections by the field officers should be cleared expeditiously by bringing the matter to the notice of Chief Engineer(s) and field officers are required to chase-up and expedite release of such connections.

(R.P.Goyal)

Chief Engineer (Comml.)
