No.JPD/Dy.CE(CP&R))/SE(C)/C.I/F. 4(261)/Pt.V /D.1390 Dt. 20.07.2005

ORDER

Sub: Insisting for production of "No Objection Certificate" (NOC).

Existing provisions under TCS-04 do not prescribe requirement of any "No Objection Certificate" (NOC) from the prospective consumers. Accordingly it was advised vide JPR5-279 dt. 29.6.05 that the production of NOC from prospective consumers requesting for release of connections for petrol pumps should not be insisted upon.

It has further been reported that field officers are still insisting the NOC under non-domestic category connections required for telecommunication/mobile network. This is against the spirit of the provisions.

It is therefore, once again reiterated that for releasing new connections under non domestic category consumers should not be insisted upon for NOC.
