Sub: Failure of power transformers- expediting failure report, enquiry report by field officers.

It has been observed that the intimation about the failure of power transformers as well as the preliminary enquiry report for investigating the cause of failure of power transformers are not being sent by the field officers to the Zonal Chief Engineers. Needless to mention is that the frequency of failure of power transformer in a particular area as well as the fact finding report to know the cause of failure of power transformer for taking remedial measures to avoid reoccurrence of failure of transformers . It is, therefore, very necessary that the intimation about the failure of power transformer as well as the probable causes of failure in the form of enquiry report are forwarded by the field officers to the Zonal Chief Engineers.

It has been decided that the failure report of power transformer should be sent by the XEn concerned in a period of 24 hours of the date of failure report directly to MD, Jaipur Discom. Similarly, the preliminary enquiry report about the failure of the power transformer should also be forwarded within a period of three days from the failure date.

It has also been prescribed that the enquiry report in respect of power transformer failed during August'05 should also be forwarded to MD, Jaipur Discom at an early date.

*my* Above instructions should be strictly followed by all concerned.

By Order,

  
(B.L.Agrawal)

Dy.Chief Engineer (CP&RE)
