Sub: Adjustment of the adhoc amount paid in advance for increase in load/demand by Industrial categories of consumers.

Under the Clause-39 (A) (4) of the "Terms and Conditions for Supply of Electricity-2004" (TCS-04) it has been provided that in case of industrial consumers, for any increase in the sanctioned connected load/contract demand, the industrial consumer is required to submit his completed application alongwith adhoc amount in advance @ Rs. 500/- per KW or HP or KVA of increased load/demand.

It has been reported that this provision is not being implemented uniformly throughout the Jaipur Discom.
