CLARIFICATION ORDER

**Sub: Installation of single Phase Transformers at
Agriculture pre-dominant feeders.**

Order No. JPR5-321 dt. 17-3-2006 was issued thereby instructing to release 30 Nos. of domestic/non-domestic connections on 16 KVA single phase transformer and for more than 30 and upto 50 domestic /non-domestic connections 25 KVA single phase transformer be proposed under Feeder Renovation Programme and also releasing new domestic/non-domestic connections. It was also instructed that no single phase transformer is proposed near existing well as well as for a single domestic/non-domestic connections.

The matter was again considered in 92nd meeting of Coordination Committee held on 28-3-06 wherein it has been reiterated that the single phase transformers on agriculture pre-dominant feeders are to be installed on priority in advance so that un-interrupted power supply is given to the domestic consumers during evening peak load hours. The said work is to be under taken immediately so as to ensure its completion before next Rabi season.

By order,

(B.L. Agarwal)

Chief Engineer (CP&RE)
