ORDER

Sub: Regarding release of connections to other category of consumers (other than PHED connections) from feeders meant for water supply scheme of PHED.

During a recent review by Addl. Chief Secretary (Infrastructure), it has been reported by the officer of the PHED that connection to some consumers of other categories have been given even on the dedicated feeders of the PHED.

These dedicated feeders have been constructed as deposit works of PHED for water supply schemes in various area (s). On the one hand, these connections cause inadequate power supply to PHED installations, on the other hand beneficiaries of these connections are getting unreasonable benefit of extended hours of supply.

It has been further reported that these connections have perhaps been given in an unauthorized manner and the matter is, therefore, required to be investigated. It is, therefore, enjoined upon all the concerned officers to shift all other category connections released on PHED dedicated feeders immediately to the nearby feeders at the cost of Nigam . Responsibility is also required be fixed for release of such unauthorized connections on dedicated feeder for PHED for water supply schemes..

By order,

  
(B.L. Agarwal)  
Chief Engineer (CP&RE)
