**Sub: Payment of interest on security during disconnected period.**

On the above subject, references have been received from various officers to clarify the doubts as to whether interest on security deposit is to be paid or not during the disconnected period. Matter was referred to Hon'ble Commission and who has issued following clarifications to be implemented by all the concerned officers:-

*“There are no provisions for not to allow interest on security for the period of disconnection. The interest on security is admissible until it is adjusted against the dues. Once the security amount is adjusted against the dues, LPS/DPS shall be chargeable only on the balance dues, if any. However, where the security amount still remain in balance, interest shall be payable on that, even during disconnected period.”*

By order,

  
(N.M.Sareen)
