CLARIFICATION ORDER

Sub.: Clarification in respect of Order No. 1394 dated 2.8.06 (JPR5-345) in respect of Un-authorized use of electricity & other offences.

RERC had issued "Regulation No. RERC/Secy/Reg. 49" "RERC (Supply Code & Connected Matters) (Fourth amendment) Regulations, 2006" thereby prescribing the action to be taken against a person for unauthorized use of electricity & other offences under Sections 126, 127, 135 to 152 and compounding of offence under Section-152 of the Electricity Act-2003. The said Regulation was forwarded to all vide order No. 1394 dated 2.8.06 (JPR5-345).

Doubts have been raised by the field officers stating that whether the amount already charged under normal tariff is to be deducted or not from the amount of assessment made against the consumer for "Un-authorized use of electricity".

The matter was referred to RERC for clarification. According to clarification given by RERC it is hereby instructed that in cases of "Un-authorized use of Electricity" the amount already charged under normal tariff is required to be reduced from the assessment made under the provisions of Clause-41(A)(2) of Order No. JPR5-345 dated 2.8.06.
