NO.JPD/CE(C)/C.III/F.2(2)/58/D. 242

Dt. 15.02.07

ORDER

Sub: Expediting release of pending connections.

In pursuance of the decision taken in the meeting of Executive Engineers of important industrial areas held on 21.12.06, instructions were issued to the effect that the release of industrial connections should not be kept pending for want of installation of check meters and also on account of non availability of meter boxes. It was prescribed vide order JPR5-371 that the consumer be asked to provide the meter boxes himself but it should be ensured that the meter box should be as per the approved design of Jaipur Discom. This relaxation was available up to 15<sup>th</sup> January'07.

Subsequently, this matter again came up for discussions in the meeting of Executive Engineers of important industrial areas held on 27<sup>th</sup> January'07 wherein it was reported that the position of availability of meter boxes has not improved so far and so is also the position of check meters. For curtailing delay in release of connections, it has been decided that the relaxation as allowed vide order JPR5-371 dt.4.1.07 be extended up to 28<sup>th</sup> February'07.

Further, it was also decided that this relaxation would also be available for releasing pending connections of HT Mixed load and HT Non domestic connections up to 28<sup>th</sup> of Feb'2007.

By Order,

*N.M. Sareen* 15.2.2007

(N.M.Sareen)  
Chief Engineer(Comml.)
