**Sub.:- Adjustment of the adhoc amount @Rs.500/- per KW or HP or KVA paid in advance for increase in connected load/demand by Industrial categories of consumers.**

On the subject, a clarification order was issued vide No.JPR5-317 dt.6.3.06. It was clarified that for the sake of uniformity in following the procedure, the total advance amount @Rs.500/- per KW or HP or KVA deposited by the consumer is required to be adjusted in demand note to be issued to the consumers.

In this context it is to inform that doubts have been raised by the field officers stating that under which "Head (s) of Accounts" the said amount are to be adjusted. The matter was again examined & it has been decided that out of Rs.500/- the amount should be adjusted as follows :-

1. @Rs.250/- per KW or HP or KVA towards "Plant Cost".
2. @Rs.250/- per KW or HP or KVA towards "Consumption Security".
