Sub.:- Reconnection of disconnected domestic connections in rural areas as well as in Kachchi Basties of Urban Areas.

To facilitate reconnection of disconnected domestic & non-domestic connections in rural areas as well as in Kachchi Basties of Urban Areas, instructions were issued vide order No.JPR5-386 dt.16.3.07. According to it, reconnection of disconnected domestic & non-domestic connections as above is permissible even if the period of disconnection is beyond six months.

It has been reported that above relaxation is being allowed to domestic consumers even in Non-Abadi Areas. This is not correct. The matter has been considered & it is clarified that the above relaxation is not applicable in non abadi areas and un-electrified Dhanies. However, for electrified Dhanies the relaxation is applicable.
