Dt. 21.6.07

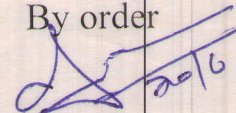

ORDER

Sub.:- Assessment to be made in cases of Burnt/Stopped/Stolen
& Defective meters under Domestic Category of rural areas.

In accordance with the provisions of Clause -27 & 28 of TCS-04, procedure has been prescribed for making assessment under different categories. There are cases in which it is difficult to assess the quantity of Electricity used by domestic consumers when the consumption of either corresponding periods of previous year or the consumption of previous six months, is not available. Further, due to delay in replacing the energy meters, it is difficult to assess the consumption for domestic consumers.

In order to resolve this problem the matter has been examined & it has been decided that in such a situation under domestic category of rural areas the assessment shall be made @50 units per month (100 units for bi-monthly billing). The Asstt. Engineer of the area is authorised to review the above limits and amend the bills in genuine cases.

By order

(B.L. Agarwal)
Chief Engineer (Comml.)
