OFFICE ORDER

Sub:- Power cut/restrictions in respect of HT consumers.

The RERC in its retail tariff order dated 24.3.2001 has directed Jaipur Discom to notify power cut/restrictions during the month to allow pro-rata reduction in the fixed charges and minimum billing in respect of HT consumers.

In order to implement the said directions the Chief Engineer(O&M), Jaipur Discom is authorised to intimate average power cuts/restrictions during the month in respect of Large Industrial consumer to Sr. Accounts Officer(Comml.), Jaipur Discom. Further the respective Circle Superintending Engineers are authorised to intimate average power cuts/restrictions during the month for their circle in respect of other categories of HT (11 kV & above) consumers to the respective billing agencies of their circle, so that pro-rata reduction in the fixed charges and minimum billing may be allowed by them on the basis of average power cuts/restrictions during the month intimated by them.
