Sub.: Applicability of tariff under temporary supply for group lighting/ decoration on festivals.

In accordance with the existing provisions of tariff, temporary connections for lighting/decoration are to be released under Non-domestic (NDS) category at 1.5 (one & a half) times tariff for permanent connection under NDS category.

However, for group lighting decorations on festivals, instructions were issued from time to time prescribing that for such connections having connected load more than 25 KW, normal NDS tariff be applied.

Hon'ble Regulatory Commission vide tariff order dt 31.8.07 has issued directions that no such relief shall be allowed now onwards.

In pursuance to Commission's tariff order, it is enjoined upon all concerned officers that henceforth the tariff for such group lighting/ decoration connections even above 25 KW load should be billed at 1.5 (one & half) times the tariff for normal NDS category.
