## ORDER

Sub.- Over riding priority for releasing connection in various categories other than Agriculture.

In order to motivate and encourage people in adopting the National Programme of Family Planning & Welfare, it has been decided that over riding priority should be given in release of power connection to various categories of consumers other than Agriculture category to those applicants who have only Two children. The following documentary evidence will be taken on record for authentication/ certification of having Two children.

1. Ration card, or
2. Self certification duly attested by Judicial Magistrate, or
3. In case of Government employee the certificate is to be issued by the Head of Department

The above instructions will come into force with immediate effect.
