

**JAIPUR VIDYUT VITRAN NIGAM LIMITED**  
**(COMMERCIAL WING)**

No.JPD/ACE/XEN/C.II/F.GC/Misc./D. 375

Jaipur,dt. 18-3-2002

**ORDER**

In accordance with the existing provisions under Sub-section 1 of Section 24 of Indian Electricity Act,1910, a notice of clear 7 days in writing is required to be given to the consumer who fails to make payment of energy bills within due date.

It has been observed that in a number of cases of defaulting consumers, either the DCOs are not issued timely or if issued, disconnections are not effected properly, which not only causes revenue loss to the Jaipur Discom, but also promote indiscipline and cultivate the tendency of disregard amongst the sincere consumers towards deposits of Nigam's dues timely, due to which the targets fixed for revenue realisation are also not achieved. It has also been seen that the DCOs issued in the beginning of the financial year are effected in the month of February or March in large number, for which demand is also raised from time to time by the Unit Officer for providing extra man-power for effecting DCOs.

To curb such wrong practice, it is hereby ordered that now onwards, the concerned AEN/JENs shall ensure that the DCOs are issued timely and are implemented within 3 days of its issuance. Non-compliance of these instructions would warrant strict disciplinary action against the AEN, JEN and the other defaulting employee, who fails to carry out disconnection after receipt of DCO.

However, in case of large industrial consumers having contract demand above 5 MVA, the disconnection should be made only after due approval of the Chief Engineer(O&M). It is further stated that immediately thereafter the case be referred to the Collector under EUDR Act for recovery of outstanding dues.

**( Dr.Ashok Singhvi )**
