No. JP Discom/CE(C)/XEN/C.II/F. 4 (138)/D. 1290

DATED: 29.8.2002

ORDER

Sub : Laying of Optical Fibre Cables (OFC) for Telecom Network and Coaxial T.v.Cables on electric poles (33 KV/11 KV/LT) of Jaipur Discom (Pole Rental charges and interest free security deposit).

The Jaipur Discom vide its order No. JPR-Discom/ACE (C)/C.II/F.4 (138)/D.218 dt. 12-2-2002 (JPR5-60) had revised the "Yearly Pole Rental Charges" and Interest Free Security Deposit". This order was issued in supersession to all instructions issued in the past and was to be made effective from 12-2-2002.

Various Cable Operator Associations had represented to waive off the interest free security deposit and pole rental charges. The matter was discussed in the 44th meeting of the Coordination Committee held on 12-8-2002 and felt that the existing amount of Interest Free Security Deposit of Rs. 2 lakhs is too high for the operators having a small area of operation.

Therefore, it was decided that the existing amount of "Interest Free Security Deposit" for Coaxial T.V. Cable net work operators may be recovered equivalent to "Annual Pole Rental Charges" subject to a maximum limit of Rs. 2 lakhs. However, the amount of "Interest Free Security Deposit" for operators laying OFC for communication net work, shall remain unchanged i.e. Rs. 5 lakhs.

This order is issued in partial modification of the earlier order to the extent above and shall come into force with immediate effect.

By order,

(A.C. Gupta)
Chief Engineer (Comml.)
