Jaipur /Dausa/Alwar/Bharatpur/Kota/J.Patan/Sawaimadhapur/ Dholpur / Karauli/ Bundi/
Baran/ Tonk.

Sub:- Issue of G.P. repaired Transformer in the field.

In the MM Review meeting held on 08.11.2017 under the chairmanship of MD, Jaipur Discom, while discussing the field related urgent requirement of Single / Three Phase Distribution Transformers, it has been directed to issue the G.P. repaired Single / Three Phase Distribution Transformers lying with ACOS (JCC) at Kukas / Achrol without CTL testing till the repair cycle of Single / Three Phase Transformers will be regularized.

Further, it has also been directed that the ACOS (JCC) / ACOS concerned will invariably mention on the gate pass that "the Distribution Transformer may be utilized in the field after meggering only. The field officers will keep the record of meggering of these issued transformers and provide the copy of same to ACOS for future reference."

In view of above, you are advised to make immediate compliance to above directions under intimation to this office.
