

**JAIPUR VIDYUT VITRAN NIGAM LTD.
Office of the Chief Engineer(MM)**

Old Power House Premises, Near Ram Mandir,

JAIPUR-302 006 Fax No. 0141-2201529, e-mail: cemm@jvvnI.in

No./ JPD/CE(MM)/SE (I & S) / D 524

Dated: 21-11-17

The Zonal Engineer (J/Z, B/Z & K/Z),
Jaipur Discom,
Jaipur / Bharatpur / Kota

Sub:- Issue of G.P.Repaired Transformers in the field.

Ref:- Letter No. 840 dated 17.11.2017 of MD, Jaipur Discom.

Reference may please be made to above referred letter No. 840 dated 17.11.2017 of MD, Jaipur Discom, Jaipur vide which directions have been issued regarding meggering of each and every Distribution Transformer before installation in the field. The megger value should be more than 50 Mega Ohm.

In context to above, it is intimated that in the gate pass it is invariably mentioned by ACOS that "the Distribution Transformer may be utilized in the field after meggering only. The field officer will keep the record of meggering of these issued transformers and provide the copy of the same to ACOS for future reference".

It is therefore requested to please arrange to comply the above directions strictly under intimation to this office. In no case the Distribution Transformer should be charged at site having its megger value less than 50 Mega Ohm.

Am

(Ashok Mathur)
Chief Engineer (MM)
