No. JPD/CAO(ATR)/REV./F.569(11) /D.2526 Jaipur, dated: 23/10/12

**ORDER**

In the case of Meter reading inaccessible at the time of meter reading by the Meter Reader then bills are issued as per Clause 37 of the TCOS for average units. On becoming accessible reading then amount recovered as well as units billed on the average basis should be subtracted but it is observed that at the time of reading become accessible only amount is deducted and no impact of units is given due to this practice the energy sold is over stated in the MIS in the month when readings become accessible.

It is, therefore, enjoined upon all concerned that whenever meter reading becomes accessible, average units and amount thereof already billed in the previous billing month should be adjusted without any fail.

This bears the approval of CMD, Jaipur Discom, Jaipur.
