Jaipur, June 17, 03.

C I R C U L A R

It has been observed from the Annual Accounts for 02-03 of Jaipur Discom that booking under the head DPS/LPS waived off under amnesty scheme accounting code 78.827 is not appearing, whereas during financial year 02-03, there was an amnesty scheme and DPS/LPS waived off. It appears that while sending the input advice i. e. CB-4 by the Sub-divisions, correct transaction code i.e. 44 was not mentioned but transaction code 40 (meant for current year waiver of DPS/LPS) indicated erroneously. It is, therefore, enjoined upon all concerned that amount of DPS waived off should be shown under the correct transaction code as above.

2. This year also, Nigam [vide order No. 898,899 & 900 (Comml. Order No.5/116-118) dt.9.6.03] has issued amnesty scheme valid for the period from 15.6.03 to 15.7.03. All the features except that of interest and DPS/LPS on the assessment for the year 02-03 not waived, are the same as of previous amnesty scheme. Therefore, it is directed that all the instructions contained in order No.1235 dt.18.5.02 (JPD 6/65) should be strictly followed. In addition, the debit of the amount of interest recovered from the consumer are to be sent to the computer agencies under code 30 in input advice CB-4.

3. Intimation/ notice to be served to the consumer under amnesty scheme are under print with the computer agencies concerned and shall be made available in a day or two. Foot notes and space for signature of AEN would be printed on overleaf of intimation/notice owing to space constraint. It would, therefore, be expedient to affix signatures seal of the AEN on the front & overleaf of the notice after necessary checking by the revenue staff before serving to consumer.
