

JAIPUR VIDYUT VITRAN NIGAM LTD.

NO.JPD/CAO/Rev./F.165/D. 14/5

Jaipur, Dt: 24.9.04

ORDER

Whenever the consumer uses electricity supplied under lower tariff for a purpose for which a higher tariff is in force or found responsible for unauthorized extension of supply / unauthorized resale of energy and where such malpractice continues even after the date of detection, charges on account thereof are required to be levied continuously till the rectification of such malpractice through energy bills.

Quantity of energy misused in aforesaid cases is assessed in proportion to the load and charged at twice the rate of the relevant tariff.

In order to save valuable time and manpower of field functionaries and debiting correct amount relating to aforesaid malpractices under clause 29.3 (b), (f) & (g) of General Conditions of supply by the computer agencies at their level, following guidelines are hereby prescribed for compliance to all concerned:-

(a) Advice for levy of energy misused at twice the rate of applicable tariff.

Mention relevant tariff code in the column prescribed for " Misuse tariff Code" of input advice – 2A **and also mention percentage of load misused out of the total load, in brackets, under the relevant tariff code advised, without fail,** against the entries of binder & account No. of the consumer concerned.

(b) Advice for removal of misuse charges being levied.

Mark "X" against the entries of binder & account No. of the consumer concerned. Order shall come into force, from the billing month of Nov.2004 for which the field officers are advised to take appropriate action immediately at their end.
