With the corporatisation of the erstwhile Telephone Department into Government Company with the name as Bharat Sanchar Nigam Limited w.e.f 1.10.2000, it has ceased to be a Central Government Department and is not therefore entitled for exemption form levy of Electricity Duty.

Accordingly, Electricity Duty is chargeable from Bharat Sanchar Nigam Limited w.e.f. 1.10.2000. It is, therefore, enjoined upon all the Unit Officers that letter Code 'B' may be deleted by sending Advice 2 A with only Tariff Code and also to debit the Electricity Duty arrears w.e.f billing month of November, 2000 through Advice CB-4 on actual consumption for providing to the Computer Agency.
